Dear Property Owner

I provide the following update.

#### **Bank Account**

Unfortunately, although I have access to the bank account, the account is still locked. I continue my efforts in this regard.

I have however, processed all payments and when the account is unlocked, funds will be released without further delay.

#### **Bonds**

I have now secured information regarding bonds from the Rental Bonds Office.

Information regarding bonds can be found here: [Rent Bonds Information](#)

Forms to change details on bonds can be found here: [Bond Forms](#)

#### **Keys**

I have secured keys held by PPM. Please contact me to make arrangements for collection.
