**(the “Company”) - Trading As “Contentious Character”**

I refer to my appointment as administrator of the Company.

**Proposed Court Orders**

As advised previously, on 5 October 2023, I approached the Federal Court of Australia to seek an extension of time to convene the second meeting of creditors. This application was heard by the Federal Court on Monday 9 October 2023 and was granted. The Judgement is available on my website [here](#).

By way of summary, the Court ordered that:

- The period to convene the second meeting of creditors is extended until midnight on 31 January 2024.
- Part 5.3A of the Act applies, allowing the second meeting to be held within the extended period, provided that you comply with the notice requirements outlined in the Insolvency Practice Rules (Corporations) 2016 (Cth).

Any creditor wishing to apply to discharge or vary these Orders or object to this extension of time is required to inform me by email - [hello@eddiesenatore.com](mailto:hello@eddiesenatore.com) I will make the Federal Court aware of any objections raised by creditors with me.

**PLEASE NOTE: This must be within three business day’s written notice.**
